ACADEMIC REGULATIONS

FOR UNDERGRADUATE (B. TECH., B. ARCH., and B. PLAN.) PROGRAMME (under choice-based credit system)

1. Introduction

These Regulations shall be called “OUTR UG Academic Regulations-2025”. These Regulations shall come into force from the date of their notification by the University and apply to the UG Students admitted during 2025-26 and onwards in various Schools/ Departments. The provisions of these Regulations shall apply to any new discipline(s) that are introduced from time to time.

Notwithstanding any of the Clause(s) provided in the Regulations, the authority shall exercise its powers to change/ amend/ interpret/ implement decisions and actions concerned with academic matters. The Board of Management of the University may, on the recommendation of the Academic Council, change any or all parts of these Regulations at any time.

2. Definition

- a) ‘OUTR/University’ means Odisha University of Technology and Research, Bhubaneswar, Odisha, with its Headquarters at Bhubaneswar, Odisha.
- b) ‘AC’ means Academic Council, ‘BoS’ means Board of Studies, and ‘BoM’ means Board of Management of the University.
- c) ‘GoI’ means the Government of India, ‘MoE’ means the Ministry of Education, GoI.
- d) ‘UGC’ means the University Grants Commission established in New Delhi by an Act of Parliament in 1956.
- e) ‘AICTE’ means the All India Council for Technical Education established in New Delhi by an Act of Parliament.
- f) ‘COA’ means the Council of Architecture established in New Delhi by an Act of Parliament.
- g) ‘UG’ means Undergraduate program.
- h) ‘HOS / HOD’ means Head of School/ Head of the Department.
- i) ‘CoE’ means Controller of Examinations of the OUTR.
- j) ‘Website’ means the website of the OUTR, i.e., www.outr.ac.in
- k) ‘VC’ means the Hon’ble Vice Chancellor of OUTR.
- l) ‘Dean AA’ means Dean Academic Affairs, OUTR.
- m) ‘B. Tech. / B. Arch. / B. Plan.’ means Bachelor of Technology/ Bachelor of Architecture/ Bachelor of Planning, respectively.

3. Admission

Admission into the B. Tech. / B. Arch. / B. Plan. Program of the University shall be made once a year based on the rank secured in the Joint Entrance Examination (JEE Main)/Odisha Joint Entrance Examination(OJEE) (for B. Tech. , B. Arch, and B. Plan) and OJEE (Lateral Entry- B. Tech.) conducted in that year or any other procedure as decided by the Government of Odisha or the authorities of the University from time to time.

4. Duration of Curriculum and Academic Calendar

- 4.1 Each year shall be divided into two semesters: The Autumn semester (July to December) and the Spring semester (January to June). The autumn semester shall ordinarily begin in July for students already on rolls, and the spring semester shall ordinarily begin in January. However, the first semester (for newly admitted students) may begin a little later, depending on the completion of the admissions process and other formalities. In each semester, there shall be a minimum of 80 working days, excluding the period of end-semester examination days.
- 4.2 Each year, the university shall draw out the academic calendar(s) of academic and associated activities, which shall be adhered to. The same is non-negotiable. Details of curricula and syllabi shall be as decided by the **Academic Council** on the recommendation of the respective **Boards of Studies**, with provision for modification from time to time as per the needs.
- 4.3 **Duration:** The duration of the program shall be governed by the regulations of AICTE/COA, which may change from time to time. As per the prevailing regulations, B. Tech and B. Plan programs are four years each (eight semesters), and the B. Arch program is five years (ten semesters). A weaker student can complete a four-year program in not more than eight years and a five-year program in not more than ten years.

4.4 Academic Bank of Credit (ABC) and ME-ME Options: Based on NEP-2020, a student can avail of multiple entries and multiple exits (ME-ME) options while pursuing his or her studies for a program. The entry and exit options can be availed after 1st year of their studies. The credits earned by a student are kept in the Academic Bank of Credit (ABC), and the student is eligible for the award of a degree after earning the minimum number of credits prescribed in the Academic Regulations at the time of his or her admission into a program. **The scheme will be implemented after finalization of minimum number of credit required and other terms and conditions.**

A student has to obtain prior approval from the Dean of Academic Affairs to avail of ME-ME options. The maximum duration for completion of 4- and 5-year program (s) is 8 and 10 years, respectively. In addition, the student has to pay the fees, as notified by the University from time to time, to become eligible to avail of this opportunity.

- 4.4.1 **ME-ME options for OTR admitted students:** These students exit only after the completion of a semester and its examinations, and they can also enter at the beginning of the semester after doing semester registration only. The student will pursue his or her studies as per the current curriculum. **During the exit and entry gap period, the student shall follow the guidelines issued by the University to pursue studies, if any, for consideration of credit transfer.** They have to complete the program within the maximum duration applicable to that program. The degree will be awarded as per the Regulations of the University.

4.4.2 **ME-ME options for Outside OUTR admitted students:** These students enter only at the beginning of the autumn semester after doing semester registration. A maximum of one entry or one exit can be allowed per year. The selection criteria for these students are as follows:

- (i) Number of students selected based on the vacancy in that branch of study.
- (ii) The student opted for entry shall have a rank higher than the last rank for that branch of study for the corresponding category of admission under JEE-Main or OJEE (B. Tech-Lateral Entry) as applicable (excluding the spot admission process).
- (iii) Secured CGPA ≥ 8.50 in the previous semester without any backlogs.
- (iv) Pursue the same branch of studies as per the current curriculum and appear in the examinations as per OUTR guidelines for that paper(s).
- (v) On passing the paper(s), the credits will be transferred as per the regulations of the OUTR.
- (vi) Any backlog in the end-semester examinations at OUTR debar him/her to pursue his/her studies at OUTR.
- (vii) A student is not eligible to participate in the campus placement of OUTR.
- (viii) The degree will be awarded by his original admission institute/University.

Any issues, if any, arising in these cases will be decided by OUTR.

5. **Curricula and Percentage Point distribution for the examinations**

An absolute marking system is followed for all the examinations and publication of results thereof.

5.1 Each discipline consists of the following types of items:

- Theory papers
- Laboratory/Practical / Sessional papers
- Quizzes
- Assignments
- Seminar
- Internship
- Project

The scheduling of these course items along with their credit points for each semester shall be as per norms formulated by the BoS, followed by approval from the Academic Council from time to time.

5.2 **The credits assigned to different items/ Courses:**

The performance of a student in each semester shall be evaluated subject-wise for a maximum of 100 percentage points for each theory, laboratory/seminar / practical, seminar, internship, and project. The distribution of percentage points, number of classes per week vis-à-vis credits, and pass grades are as follows:

Table – 1: Details of Credits

Items	Maximum percentage points	Semester		Pass Grade
		Periods / Week	Credits	
Theory papers	100	02/03/04	02/03/04	P
Laboratory/Sessional/ Practical	100	09/06/03/02	4.5/3/1.5/1.0	D
Seminar	100	02	1 / 1.5 (Arch)	D
Internship (8 weeks in one or more spells)	100	01		D
Project	100	06/12	03/06	D

NB: **Theory paper of 1 credit = 15 hours; Sessional / lab course 1 credit = 30 hours.**
 A maximum of 20% of classes can be allotted for self-study and assignments; this will not be considered for the calculation of % attendance.

5.3 Distribution and Weightage of Percentage Points:

- (i) **Theory Papers:** The syllabus for each theory paper will have 3 modules. The academic calendar will specify the schedule for mid-semester and end-semester examinations. Each theory paper will have 100 percentage points, and its distribution is as follows:

Mid-Semester Examination (of 1.5 hour duration)	20 percentage points
End-Semester Examination (of 3-hour duration)	60 percentage points
Teacher's Assignment (TA) (minimum 2nos.; preferably one before the mid-sem and another after it)	10 Percentage points
Attendance ($\geq 75\%$ - $< 80\%$ = 2; $\geq 80\%$ - $< 85\%$ = 3; $\geq 85\%$ - $< 90\%$ = 4; and $\geq 90\%$ = 5),	5 Percentage points
Quiz (minimum 2nos: one before the Mid-Sem and another after it)	5 Percentage points
Total	100 Percentage points

At least two TAs and two quizzes (one each before and after the mid-sem) should be conducted in a semester. The pattern TA should be declared by the concerned teacher in his/her lesson plan at the beginning of the semester and submit a copy to the HOS/HoD and Director IQAC. The question paper should consist of questions covering various knowledge levels including critical thinking.

The format of mid- and end-semester examinations should be intimated to the students during 1st week of the commencement of classes.

- (ii) To pass a theory subject, the students have to secure a minimum of **20** percentage points out of **60** percentage points in the End-Semester Examination and a total of **35** percentage points out of **100** percentage points.

5.4 Sessional / Laboratory / Practical Assignments:

Percentage points are almost equally divided among the assignments in a particular sessional/ laboratory/ practical subject, percentage points should be allotted for each sessional/ lab/ practical assignment in the allotted classes.	Completion of assignment/ lab experiment & record submission in due time = 80 percentage points. Viva on each assignment = 20 percentage points.
Total	100 percentage points

- (i) The total percentage points for sessional, laboratory, and practical are 100. Each test includes performing an experiment or assignment, a viva or quiz, and lab record submission. A student has to secure a minimum of 50% percentage points to pass with a "D" grade.
- (ii) A compensatory practical or sessional class for a student who misses an experiment only on medical grounds, family calamities, or official events could be arranged. Such a compensatory experiment has to be arranged at the relevant school or department level within two weeks of his or her missing a practical class.
- (iii) Any student securing less than 50 percentage points ('F' grade) in practical/ sessional may be allowed to repeat the practical in the corresponding semester of the subsequent year. This will be limited to only one chance.

5.5 Seminar:

There shall be seminars in the pre-final or final year of study. For the seminar, the student shall collect information on a Supplementary topic, prepare a technical report, and submit it to the school/department. Further, a student has to give a PowerPoint presentation on the seminar report. The percentage points for a seminar are awarded as follows:

Report preparation	30 Percentage points
Seminar Presentation	50 Percentage points
Viva-Voce on the Seminar topic	20 Percentage points
Total	100 percentage points

- (i) The total percentage point for the seminar is 100. A student has to secure a minimum of 50% percentage points to pass with a "D" grade.
- (ii) Any student securing less than 50 percentage points ('F' grade) in the seminar may be allowed to repeat the same in the corresponding semester of the subsequent year.

5.6 Internship:

Students should pursue internships during semester break vacations. Those who pursued at least 8 weeks or more internship in one or more spells during the program shall maintain an internship diary to record his/her day-to-day progress. It has to be authenticated by the mentor-internship. During the final semester, a student has to submit the internship diary, and other necessary documents from the industries/organization and present the experiences, i.e., his/her understanding of the topic, and submit it to the school/department during the final semester of study. Further, a student has to give a PowerPoint presentation on the internship experiences/work done. The percentage points for internship are awarded as follows:

Internship diary submission for at least 8 weeks or more in one or more spells and also in one or more industry/institute	50 Percentage points
Internship Presentation	30 Percentage points
Viva-Voce on the Internship topic	20 Percentage points
Total	100 percentage points

- (i) The total percentage points for the internship is 100. A student has to secure a minimum of 50% percentage points to pass with a "D" grade.
- (ii) Any student securing less than 50 percentage points ('F' grade) in the internship may be allowed to repeat the presentation in the corresponding semester of the subsequent year.

5.7 Project:

There will be projects during the pre-final and final years of study. The student or group of students shall investigate, review, or work on a topic in any field of engineering or multidisciplinary field related to the department. During the project work, students shall do experimental or analytical work, design work, or any other type of project approved by the departmental committee to be formed by the Head of School (HoS) or Head of the Department (HoD). The committee should adopt a rational approach in assigning a project supervisor to a student or a group of students so that the interests of the student or group of students who can carry out the project work should get priority with the available faculty members in the department with different Supplementaryizations.

(i) Evaluation of Projects

Project: The internal evaluation of the project should preferably be done through presentations/ demonstrations before the departmental committee by students or groups of students, as the case may be, and the submission of the report with a weighted percentage point as follows:

Day-to-Day work(awarded by the Supervisor)	50 Percentage points
Project Report (Awarded by the Committee)	10 Percentage points
Presentation of Project Seminar (Awarded by the Committee)	20 Percentage points
Viva Voce (Awarded by the Committee)	20 Percentage points
Total	100 Percentage points

6.0 Rules for the Examinations

6.1 There shall be a mid-semester examination and an examination at the end of each semester (hereafter called the end-semester examination) for each theory paper as per the academic calendar.

- (a) The mid-sem examination should be conducted, preferably after the completion of one and a half modules of the syllabus. The corrected papers have to be shown to the students within **SEVEN working days by the concerned teacher**. The score out of 20 percentage points shall be informed to the students.
- (b) The teacher's assignments, quizzes, etc. will be conducted by the concerned subject teacher under the supervision of the HOS/HOD. The concerned subject teacher shall maintain records for at least a year.
- (c) If a student misses a mid-sem examination due to (i) medical reasons, (ii) family calamity, or (iii) academic or official assignments of the University, the student will make an application (Form: OUTR-6MT) through HOS/HOD to the Dean, Academic Affairs **within one weeks of the occurrence**. The University shall constitute a committee to recommend action for each case. If the committee recommends a compensatory midterm examination, it will be conducted for such students only.

6.2 Back theory paper examinations, i.e., where a student appeared at the end-semester examination but did not obtain the minimum percentage points for a passing grade, shall be held **during the Examinations of that year** or the normal end-semester examination along with regular students of the lower semester in the subsequent year. Similarly, if a student has a back paper in sessional, lab, or practical subject(s), i.e., did not obtain the minimum percentage points for a passing grade, then he or she has to repeat the same either in the (i) courses of that year or (ii) along with regular students of the lower semester in the subsequent

year. The student has to register for the back papers / examinations/ course as per University notification subjected to eligibility criteria to become eligible to appear for the same.

- 6.3 Students having attendance $\geq 75\%$ in a subject who could not appear at the end-semester examinations due to
- (i) family calamities or
 - (ii) serious health issues as recommended by the Medical Board of the University, or
 - (iii) who are participating in any events of National or State level on behalf of the University or government with prior permission of the Dean, Academic Affairs, are eligible to appear at the examinations. These students are to submit relevant documents within 15 days from the date of incidence for (i) and within 7 days after recovery for (ii) in the Academic Section through the respective Heads. These documents are to be submitted before registration of examination otherwise they are not eligible to appear at the examination. These students are awarded with 'R' grade.

7. Grading System

- 7.1 The uniform grading system is followed for all academic program (s) of the University to judge the students' level of competence. A nine-point grading system on a scale of 10 shall be followed in the University. The categorization of these grades and their correlation shall be as follows:

Qualification	Grade	Score on 100 percentage points	Point
Outstanding	'O'	≥ 91 and up to 100	10
Excellent	'A'	≥ 81 and up to 90	9
Very Good	'B'	≥ 71 and up to 80	8
Good	'C'	≥ 61 and up to 70	7
Fair	'D'	≥ 51 and up to 60	6
Below Average	'P'	≥ 35 and up to 50	5
Failed	'F'	Below 35	2
Malpractice	'M'	-	0
Absent	'S'	-	0
Absent due to Shortage of Attendance	'T'	-	0
Attend $>75\%$ of the classes in a subject but could not appear in the end-semester examination (Clause- 6.3)	'S'	-	0

A grade sheet would be issued year-wise to students who have cleared all the subjects as per the syllabus of the lower semesters.

NB: Grade 'D' shall be considered as average. Grade 'P' shall be a pass grade for theory and grade 'D' shall be a pass grade for Practical / sessional / laboratory/project/seminar/viva voce.

- 7.2 A student's level of competence shall be categorized by a **GRADE POINT AVERAGE** to be specified as:

SGPA – Semester grade point average

CGPA – Cumulative Grade point average

It shall be the basis of judging his/her overall competence in the course.

- 7.3 **Definition of terms:**

- (a) **POINT** - Integer equivalent of each letter grade.
- (b) **CREDIT** - Integer signifying the relative emphasis of individual course item(s) in a semester as indicated by the Course structure and syllabus.
- (c) **CREDIT POINT**- (b) x (a) for each course item.
- (d) **CREDIT INDEX**- Σ CREDIT POINT of course items in a semester
- (e) **GRADE POINT** - $\frac{\text{CREDIT INDEX}}{\Sigma \text{CREDITS}}$

SEMESTER GRADE POINT AVERAGE (SGPA)

$$\text{SGPA} = \frac{\text{CREDIT INDEX}}{\Sigma \text{CREDITS for a semester}}$$

CUMULATIVE GRADE POINT AVERAGE (CGPA)

$$\text{CGPA} = \frac{\Sigma \text{CREDIT INDEX for all previous semesters}}{\Sigma \text{CREDITS for all previous semesters up to the current semester}}$$

8. Attendance Requirements

- 8.1 Attendance shall be considered from the date of commencement of classes as per the academic calendar of the University. The schedule of classes shall be notified through a timetable before the beginning of the classes in the semester.
- 8.2 A student shall be allowed to appear at the end-semester examination or Supplementary examination when he or she has a minimum of 75% attendance in the registered subjects.
- 8.3 A student shall not be allowed to appear at the end-semester examination of that semester in those particular theory subjects where he or she has a shortage in attendance, i.e., less than 75%. He or she will be allowed to appear at the theory examinations in other subjects where he or she has no shortage of attendance.

Attendance records of every month should be published for information of the students concerned by the respective teachers and the same must be submitted

to the Academic Section within 1st week of next month. In addition, it must be compiled at the time of the mid-sem examination and on the closing of instruction, and the same should be published on the notice board of the department and on the University website.

- 8.4 **Concessions:** A student who has been absent for short periods due to (i) medical/health grounds, (ii) family calamities or (iii) participation in any National or State level cultural, sports, other academic/official assignments in the interest of the University/government with prior written permission of the University shall be permitted a maximum of additional concession of 10% in attendance and would be eligible for appearing at the examination with a minimum of 65% of attendance in those subjects in a semester. **They have to submit all the relevant documents within 7 days after joining the University or before the last date of instruction whichever is earlier to the Academic Section through respective Heads for due consideration.**

Those students who had attended a minimum of 65% attendance are eligible to apply with supporting documents to be considered by the Committee/medical board as the case may be. On the recommendation of the committee, such relaxation/concession of attendance is considered and the student is eligible to appear at the end-semester examination.

8.5 A student shall NOT be allowed to appear at the end Semester examination in any of the registered subjects under the following three conditions:

- (a) securing <65% attendance or**
- (b) applied after due date having attendance > 65 % and < 75%**
- (c) applied with insufficient documents with attendance > 65 % and < 75%.**

9. Subject-wise Registration and Eligibility to Appear at Examinations.

The medium of instruction for all the programs is English.

Choice-Based Credit System (CBCS): The CBCS provides choices for students to select from the prescribed courses (professional electives and open elective courses). In addition, students can also choose Honours and Minor courses.

- 9.1 All registered students of the university have to register (Form: OUTR-2RN) for each of the subjects they are required to study before the commencement of a semester. Except in the first semester, where a student is automatically registered for all subjects of the first semester, a student has to apply as per schedule in a specified format for subject-wise registration by depositing the prescribed fee as notified by the University.

A student has to register for mandatory courses like Environmental Sciences, Indian Knowledge System, Constitution, and Essence of Indian Traditional Knowledge etc. as decided by the Academic Council.

- 9.2 A student will be eligible to get his undergraduate degree with Honours or additional Minor engineering if he or she passed additional subjects with 15-20

credits. Registration of additional subjects for Honours or Minor engineering is optional. First, a student will register subjects in his or her regular branch of study.

From the 3rd semester onwards, a student may register for additional subject(s) under Honours in the same branch of study (preferably with a higher level).

OR

Minor engineering in a branch other than his or her branch of study.

However, a student is not eligible to register for subjects both under Honours and Minor Engineering at the same time. Once a student opts for Honours or Minor engineering, it is considered final, i.e., it can't be changed afterward. But he or she may exit for Honours or Minor engineering during his or her study at any time by exercising his or her option.

The number of students opting for the Honours and Minor Engineering is same as the student strength of a branch and or as decided by the University; for example: for B. Tech in E & I: 180 (max.) for 1 or more minor engg courses.

Important Note: If a minimum of 15 students opt for an elective or additional courses offered by the department (in any semester), then those students would be allowed to register for the same. Similarly, if more students have opted for an elective or additional subject (preferably open elective paper or minor engineering), then students will be selected based on their CGPA of immediate lower semester.

- 9.3 (i) A student can choose Open Elective Courses from the subjects offered by other Schools / Departments, i.e., subjects excluding his / her branch of study.
- (ii) Students can choose those Open Elective /Professional Elective Courses from various courses offered under MOOCS / NPTEL / SWAYAM and such other platforms as decided by the School / Department. The school/department will notify a list of branch-wise online courses and the students are to choose from these courses only. They have to submit the details of these online courses to the school/department within 2 weeks of starting of instruction of the semester. The students may choose these online courses preferably after 1st year of his/her study. A student can choose up to a maximum of 40% of courses offered for that program. The students can register for those courses by themselves at their own cost.
- (iii) They may appear at the Examinations of the corresponding online platforms as per their norms and the modalities of credit transfer will be notified by the University. In addition, students are also eligible to appear at the End-Semester Examinations of the University for those online courses for which they have to register for the same as per the rules of the University and the credits earned in this case will be considered as such.
- 9.4 A student who has been promoted with backlog (XP) has to register first for the backlog subjects being offered in the semester. During study, the students may register for backlog (failed) subjects of their lower semesters, with preference given

to the lowest possible semester in addition to the prescribed subjects of that semester. During a normal course of study, a student may register the backlog (failed) subjects of his or her branch of study in the lower semester. After completing the final semester (B. Tech, B. Arch, or B. Plan), a student may register in any number of backlog (failed) subjects or subjects (having requisite attendance of at least 75%) and attempt to clear them during appropriate semester examinations. The student once registered for a set of backlog subjects, cannot change them during the semester. If a student does not secure a passing grade in a laboratory or sessional subject, he or she has to clear the same during the appropriate semester duration.

- 9.5 A student shall be admitted to any examination in a subject only if he/she has registered for that subject, paid necessary registration and examination fees at the beginning of the semester, and has requisite attendance in that subject.
- 9.6 A student shall be allowed to appear at an End-semester examination only after he/she is issued an Admit Card for the relevant examination by the Controller of Examinations.
- 9.7 A student who is promoted to the next higher year with backlogs in the previous year shall be permitted to appear at an examination for the backlog subjects, provided he/she fulfills the conditions 9.1 to 9.6 above.

10. Classes

It is an opportunity given to the students having 'S' / 'T' / 'M' grades in the theory/ lab/ sessional papers in the subject(s) taught in the autumn or spring semester to attend the classes. It is mandatory for all 'T' grade students to register for all eligible courses, where as it is optional for 'S' grade students and for 'M' grade students it will be based on the recommendation of the appropriate committee. These students must register and attend the classes after which they are eligible to appear at the examinations on fulfilling the attendance criteria. However, it is purely optional for 'F' and 'R' grade students.

A School/ Department may re-offer the course during the vacation of the students. The students are to pay the nominal fees for the courses, over and above the semester registration fees, as decided by the University. Registration for the courses will be done after publication towards the end of the spring semester.

10.1 Eligibility criteria for registering for course: Only those students who have taken the course in the regular odd- and or even semesters in an academic year are eligible to register for the course provided he/she has

- i. Unsatisfactory attendance record (T grade) and must have average attendance of 50% in the corresponding semester or
- ii. Did not appear on the end-semester examination (S grade) or
- iii. The students having 'M' grade due to examination malpractice and recommended by

- the committee or
- iv. Optional: "F" and "R" grade

The subjects for the course will cover for odd- and/or even-semester of an academic year only. There is no limit to number of subjects for registration to courses. However a student will ordinarily not be allowed to register for more than 18 credits (courses covering both odd- and even semesters of his/her academic year of study) for the examination. (For example; a 2nd year student after publication of 4th semester examination results is eligible to register for the subjects of the 3rd and 4th semester only for the classes).

10.2. Attendance requirement in courses: The courses will be identical in scope and manner of execution to the corresponding courses of regular semesters, except that the number of class hours per week shall be higher and the total number of classes is somewhat less than that in the normal semester. The attendance requirement will be >80% to become eligible to appear at the supplementary examinations. The reward marks for attendance as per Clause no. 5.3(i) are not applicable in this case.

10.3. Quiz, Assignments, and Mid-semester Examination; The marks awarded for quizzes, assignments, and mid-semester examination, if any, during the regular semester study shall be nullified. The students are to appear for the quizzes, assignments, and mid-semester examinations afresh during the classes and the marks awarded in these will be considered for the supplementary examination results. There will be no compensatory mid-semester examination in the classes.

11. Examinations

There shall be examination at the end of every academic year and after publication of the spring semester (even-end semester) examination results. A student is eligible to appear in the subjects of the current academic year (autumn and spring semesters) of his/her study only as per the eligibility criteria noted below. (For example; a 2nd year student, after publication of 4th semester examination results, is eligible to appear in the subjects of the 3rd and 4th semester only).

11.1 Eligibility criteria for appearing at the examinations and award of grades

Original Status	Original Grade	Fees to be paid	Grades to be awarded
(a)All class attendees having attendance > 80%	S or T or M or F	class fees are to be paid as notified by the University	The final grade will be ONE grade lower than the actual grade thus scored, except that the performance grade 'P' remains unaltered (see Table 1) for T and M grade students
(b)Without attending class: Students having back papers, F or R grades	"F" or "R"	Back-paper registrations fees	The final grade will be the same as the actual grade scored.

After the publication of the Supplementary/ Examination results, the CGPA secured will be considered for promotion. Students are eligible for the award of medals/prizes based on their Supplementary/ Examination results if they are found eligible as per the rules. There shall be no Re-Totalling/Re-Checking for any subject of the Examination.

- Students can appear the subjects/courses in the normal end-semester examination along with regular students of the lower semester in the subsequent year for conditions as: if a student registered for classes for any subject and secured eligible attendance requirement but not registered for examination in the corresponding year.
- If a student secured 'F' grade in a subject in the Examination, then he/she is eligible to appear that paper in the normal end-semester examination along with regular students of the lower semester in the subsequent year and the **grade awarded will be the same as per the table.1 if previously the grade was 'T' or 'M'**
- If a student could not appear the Examination due to limit of credits or absent for appearing the Examination, then he/she is eligible to appear that paper in the normal end-semester examination along with regular students of the lower semester in the subsequent year and the **grade awarded will be based upon Table-1, if previously the grade was 'T' or 'M'.**
-

Table 1(10.1.(a))

Grade scored	Grade to be awarded at the supplementary examinations
'O'	'A'
'A'	'B'
'B'	'C'
'C'	'D'
'D'	'P'
'P'	'P'
'F'	'F'

12. Declaration of Results:

To pass a program/course a student must secure at least a Pass Grade in each of the Theory, Practical, Project, Seminar, Sessional, and Viva Voce items and maintain a minimum level of overall performance.

The results of subject(s) under Honours or Minor Engineering will be reflected separately and they will not be considered for promotion or added to the results of subjects under a regular branch of study.

13. Criteria for Promotion to Next Higher Level

13.1 The promotional status between two consecutive semesters and/or two consecutive years shall be indicated on the Semester Results as described below:

A. Passed and Promoted (denoted by P) indicating that

- The student has cleared all prescribed course items of both odd and even semesters of the academic year.
- He / She has no backlog from lower levels.
- He / She has secured a CGPA of 6.0 after completion of final year study.

B. Eligible for Promotion with backlogs (denoted by XP) indicating that

Promotions will be considered at the beginning of the year, i.e., during the commencement of an odd semester. **The CGPA for promotion to a higher year will be considered after publication of the summer examination results of the year of study.** The student is eligible for promotion with backlog (XP) in the following situation:

For promotion from 1st year to 2nd year:

A student at the end of the first year (inclusive of first and second Semesters and also after **Summer** Examinations of 1st year) having a minimum CGPA of 4.50 is eligible for promotion to the Second year, regardless of the number of failed subjects except students under Clause - D.

A student (at the end of the first year) with a CGPA of ≤ 4.50 may choose to quit or pursue studies after registering as a fresh student in the first year. If such a student in the repeat first year once again fails to secure a CGPA ≥ 4.50 at the end of the new First Year and after the Summer examinations, he/she may repeat the 1st again (2nd time) as a fresh student. In the 2nd repeat year, if he/she fails to secure CGPA ≥ 4.50 after the 1st year and the Summer Examinations, then he/she to quit the University.

For promotion from 2nd year to 3rd year:

All students of the second year (after 4th Semester) securing a minimum CGPA ≥ 5.0 (after 4th semester and supplementary examinations result) are eligible for promotion to 3rd year except students under Clause - D.

If a student fails to **secure a CGPA as above**, then he/she is not eligible for promotion to 3rd year. He/she has to register as a student in 2nd year and pursue his or her studies in both 3rd- and 4th-semesters **for the back papers by depositing the studentship fees.**

For promotion from 3rd year to 4th year:

All students of the third year (after 6th Semester) securing a minimum CGPA ≥ 5.5 (after 6th semester and supplementary examination results) are eligible for promotion to 4th year except students under Clause - D.

If a student fails to **secure a CGPA as above**, then he/she is not eligible for promotion to 4th year. He/she has to register as a student in 3rd year and pursue

his or her studies in both 5th- and 6th semesters for the back papers by depositing the studentship fees.

For promotion from 4th year to 5th year (Only for B. Arch Programme):

All students of the fourth year (after the 8th semester) securing a minimum CGPA ≥ 6.0 (after the 8th semester and supplementary examinations result) are eligible for promotion to the 5th year except students under Clause - D.

If a student fails to secure a CGPA as above, then he/she is not eligible for promotion to 5th year. He/she has to register as a student in the 4th year and pursue his or her studies in both 7th - and 8th semesters for the back papers by depositing the studentship fees.

Important Note: The SGPA of the lower semester(s) of XP category students after clearing their backlog subjects will be updated.

- C. The student is eligible for promotion from the odd- to the next even semester if he/she has registered for all the subjects for immediate regular lower semester.
- D. Not Eligible for Promotion (denoted by X) indicating that the student is NOT eligible for promotion to the next higher level as he/she has not fulfilled the stipulated requirements defined under the provisions, stated above under Clause 'A', 'B' and 'C' for promotion.

Important Note: The 'X' category students, who are otherwise eligible to continue in the University, are required to re-register for that semester/year.

E. Registration for students under Clause – C

The students, who are NOT eligible for promotion, are to register and appear at the back paper subjects except 1st year. If he/she does not have 75% attendance in a subject, he/ she has to attend the classes in those subjects and fulfill Clause – 9.1 to become eligible for appearing in the examination.

- 13.2 The University shall publish a list of all successful students of each of the semester examinations within the date prescribed in the academic calendar.
- 13.3 The overall performance of a successful student for the award of a degree shall be based on the combined results of all the examinations of the concerned program.

14. Branch Change

Any student pursuing a B.Tech. Program may be allowed a change of branch in the University after completion of course requirements for the first (autumn) and second (spring) semesters of the first-year program, subject to the availability of seats in a branch. The selection shall be based on merit, assessed through the combined results of the first and second semester examinations declared in the form of a Cumulative Grade Point Average (CGPA) at the end of the first year, which should be a minimum of 8.0 or more.

In the event of a tie, it will be resolved by the JEE main rank. This is an incentive for meritorious students. Students admitted under self-financing (self-sustaining) schemes will continue to pay the same amount of fees and development fees as in the self-financing mode even after changing branches until the completion of the B.Tech. Program.

- 14.1 Only such students who have cleared all examination items for both semesters **in their first attempt** in examinations held during the academic session of their first admission to the course shall be qualified to apply for a change of branch. A change of branch may be accorded subject to the condition that the consequent total student strength in the 'gainer' branch shall not exceed 10% of the sanctioned seats and the net student strength in the 'loser' branch shall not deplete by more than 10% of its sanctioned student strength.
- 14.2 Applications are invited from the eligible students (Form: OUTF-1BC) for a change of branch after the publication of the 2nd-semester results or at the beginning of the 3rd semester. A merit list based on CGPA will be prepared, and branches will be allotted in order of their preferences. All changes to the branch will be final and binding on the applicants. No student will be permitted, under any circumstances, to refuse the change of branch offered after notification. No application for a change of branch will be entertained in subsequent years.
- 14.3 The change of branch facility shall not be available to students of B. Arch and B. Plan programs.

14. Requirements for Award of Degree:

There shall be no class/division awarded to a student either at Semester or degree level.

15.1 Eligibility for Award of Degree

A student will be eligible for the award of B. Tech/ B. Arch/ B. Plan degree if he/she satisfies all the following conditions:

- (a) Has cleared (minimum pass grade) in all subjects and obtained the requisite number of credit points prescribed for his/her branch of study.
- (b) For B. Tech program, a student may be awarded a degree as follows:
 - (i) Bachelor of Technology in his/her branch of study or
 - (ii) Bachelor of Technology with Honours in his/her branch of study if he/she clears subjects of a minimum of **18 credit points** prescribed under Honours or
 - (iii) Bachelor of Technology in his/her branch of study with Minor Engineering in a branch other than his/her regular branch of study if he/she clears subjects of a minimum of **18-20 credit points** prescribed under Minor Engineering.
- (c) Has secured a minimum Cumulative Grade Point Average (CGPA) of 6.0 (see #

7.3 for calculation of CGPA).

- (d) Obtained at least a D grade in NCC / NSS / Games / Sports / Music/ Drama / Debate / Quiz / Yoga/IKS subjects.

15.2 Disqualification for Award of Degree

Students who have been convicted of any cognizable offence(s) shall be debarred from receiving degrees.
