Dear Sir/Madam,

Greetings from AICTE, Ministry of Education..

In alignment with vision of Make in India & Aatmanirbhar Bharat, Anuvadini AI, AICTE, Ministry of Education, has developed Made in Bharat, AI-powered product designed to bridge India's linguistic divide and bring inclusivity into technology. Through this app, we aim to increase awareness and participation among young learners across the country. By engaging credible influencers, we will spread information about this initiative and encourage students to explore and make use of Indian digital solutions.

In the light of this, we require your support to provide the contact details of top influencers of your college/institute for "Make in India" Educational and Communication App Outreach who engage with students and Gen Z audiences in the areas of education, innovation, technology and digital learning.

We would like to request you to share the required information, i.e., the mobile numbers, email Id, social media account details of the influencers in below mentioned Google form, to enable us to connect with them directly for further coordination:

<https://forms.gle/rSmhAQLBuiQ8FSkg7>

In this regard, once again it is requested to circulate aforesaid information to the students of your institute and encourage them to participate in these activities. It is also requested to ensure their active participation. A certification of appreciation will be provide by Anuvadini AI, AICTE, Ministry of Education to all the student who will actively participate in this activity.

For any other clarifications, feel free to contact us.

With Regards,
Dr. Buddha Chandrasekhar
