ABOUT ORISSA CHEMICAL SOCIETY

The Orissa Chemical Society (OCS) was established in the year 1985 with Prof. Mahendra Kumar Rout as the founder president. The aims and objectives of the OCS are to (i) promote, improve the standard of teaching and research in chemistry and allied science in Odisha, (ii) organize conference and symposia for further improvement in teaching and research (iii) create public awareness regarding the environment impacts of the use of various chemicals in our daily life, (iv) bring out a journal/magazine in chemistry, and (v) popularize the discipline of chemistry. Till date more than 1500 chemists have been enrolled as life and patron members of the society.

ABOUT UNIVERSITY

The State Government established the "Odisha University of Technology and Research", Bhubaneswar, by upgrading the College of Engineering and Technology (CET), Bhubaneswar, through the Odisha University of Technology and Research Act, 2021 (known as Odisha Act 17 of 2021). The University is functioning with effect from October 8, 2021. The University is located at Techno Campus, Kalinga Nagar, Bhubaneswar. The University offers Bachelor programs (B. Tech, B. Plan, B. Arch), Master of Planning (M. Plan), Master of Technology (M. Tech), Master of Computer Application (MCA), Master of Science (M. Sc., Int. M. Sc.), Master of Business Administration (MBA) and Ph.D. programmes.

ABOUT THE SCHOOL

It consists of four departments i.e. Chemistry, Humanities, Mathematics and Physics. The school is actively involved in teaching various courses in B. Tech, M. Tech, M. Sc. and Int. M. Sc. programmes. Each department is well equipped with state of art laboratory facilities. The school has a leading role in the State by producing a number of human resources in applied sciences. Faculty members of the School of Basic Sciences & Humanities are actively engaged in research in frontier areas, resulting in publications in journals of national and international repute and participation in international and national conferences, workshops, symposia etc.

ABOUT THE CONFERENCE

The conference, integrating the National Conference on Advancements in Materials Chemistry (AMC-2024), is being organized by the School of Basic Sciences and Humanities (Chemistry), Odisha University of Technology and Research, Bhubaneswar. It aims to exhibit the research and technical excellence of scientists and technocrats, representatives from the academia and industries, researchers on diverse aspects of recent advances in materials research. It includes synthesis and characterization of advanced materials and their applications in the field of life sciences, energy, environment, electronics and related topics. The conference aims to serve as a platform to bring together students, scientists, academicians, industrialists under one roof.
